Favourite thing about working at Glenarm?

The Residents look forward to having their hair done and i really enjoyed making them look and feel special. Ive made a lot of friends while working in Glenarm and i'll miss seeing everyone.

Plans for Retirement?

When I retire, I plan to travel more to catch up with family and friends. There is always something to do on our small property so I'll be able to help out more.

MONTHLY CARE STATEMENTS

From October 1st 2024, it is legislation we offer Monthly Care Statements to Residents +/- their representative.

Monthly Care Statements give Aged Care Residents a summary of the care they receive and any changes or events. This monthly update helps residents and their representatives keep a record of their care, and inform ongoing conversations with their provider.

Statements will include information on the following:

- Well-being activities
- Client Incidents
- Wound management
- Hospital Visits
- Upcoming Appointments
- Nutrition and Weight
- Allergies
- Mobility and Transfer
- Vaccinations
- Advanced Care Plan Authorisation

Residents must provide consent prior to your representative receiving your Monthly Care Statement.

If you haven't filled out the consent form and you wish to, please see the Nurse In Charge
